STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT
State: Indiana

II. CONSIDERATION OF RESOURCES INVESTED IN QUALIFIED LONG TERM CARE INSURANCE

Eligibility Groups covered:

Aged and Disabled - Section 1902 (f) of the Social Security Act, 42 CFR 435.121

Qualified Medicare Beneficiary - Section 1902 (a) (10) (E) of the Social Security Act

- A. A resource disregard in the amount specified in item B below is given to an individual who has purchased a qualified long term care insurance policy as defined in Indiana Statute 12-15-39.6, or a long term care insurance policy issued in another state that has entered into a reciprocal agreement with Indiana pursuant to Indiana Statute 12-15-39.6-13 and such long term care insurance policy is covered under the reciprocal agreement, and has used such policy to pay for long term care services in a setting other than an acute care wing of a hospital.
- B. The amount of the disregard is equal to the following:
1. For individuals who purchase less than the State set dollar amount* of qualified insurance policy benefits, the amount of the disregard is equal to the amount of payments made under the insurance policy.
 2. For individuals who purchase the State set dollar amount* or more of qualified insurance policy benefits, the amount of the disregard is equal to all of the individual's resources once the insurance policy benefits have been exhausted.
 3. For individuals who purchase a long term care insurance policy in another state and such policy is covered under a reciprocal agreement defined in item A above, the amount of the disregard is equal to the amount of payments made under the insurance policy.
- C. The phrase "State set dollar amount*" used in item B. above is equal to \$140,000 in calendar year 1998 and increases by 5% compounded each calendar year, rounded to the nearest one dollar (i.e., year 1999 = \$147,000; year 2000 = \$154,350; year 2001 = \$162,068; year 2002 = \$170,171; year 2003 = \$178,680; etc...). In Indiana, \$140,000 equals approximately 3.7 years of nursing home care at the average daily private pay rate of \$103 per day (computed in 1997).
- D. Such disregard is in effect for the lifetime of the individual.
- E. Resources disregarded under this provision are not subject to recovery of medical payments made on behalf of the individual.
